

RecipeaceCards

A Project of the Jeffco Student Health Advisory Council

PEOPLE BINGO

An activity to learn random facts about classmates and engage in group bonding.

Time
5-10 Minutes

Group Size
15-30 Students

Materials
Bingo Board print out

INSTRUCTIONS

1. Each student is given one of the bingo boards. Also, each student should have a writing utensil to work with.
2. Students must walk around and find other kids whose interests/experiences/etc. match a square on the Bingo board. Students will write the name of other kids whose experiences match the squares.
3. When a student gets five in a row, column, or diagonal, they get a bingo and receive a prize.

DISCUSSION QUESTIONS

- None
